SAMTRA

SAMTRA is a non profit, South African Maritime Safety Authority (SAMSA) accredited maritime training provider, officially opened in 2003 and specialises in;

- Simulator short courses for Navigation & Engineer Officers & Ratings
- Professional non-simulator short courses for Navigation & Engineer Officers & Ratings
- Custom company specific maritime short courses
- Maritime Training Administration & Management Services offered to Third Parties
- Consultation Services

SAMTRA clients derives from Mainstream Shipping Companies (incl. SA Navy), Yachting & Fishing sectors.

www.samtra.co.za

CPUT

The Cape Peninsula University of Technology was established on the 1st of January 2005, when the Cape Technikon and Peninsula Technikon merged.

Today, this institution is the only university of technology in the Western Cape and is the largest university in the region, boasting more than 30 000 students, several campuses and service points and more than 70 programmes.

CPUT's Department of Maritime Studies offers a National Diploma in Maritime Studies and Marine Engineering. The department is accredited by the South African Maritime Safety Authority (SAMSA).

Cape Town and Surrounds

"Welcome to Cape Town"

Set between dramatic coastlines and mountain ranges, Cape Town and its surrounding areas offers something for everyone. For the nature enthusiasts there are various outdoor adventures, game farms and scenic routes to explore. For the adrenaline seeker there are many options like shark cage diving or paragliding for the best views. There are many historical buildings and places promoting cultural experiences. For those who love a more relaxed experience follow the Garden Route and do wine tours.

Cape Town can get very windy, and one can easily experience 'four seasons' in one day so always remember to pack your sun-screen, hat, and a cardigan.
